Simply delicious coffee

With aroma twister for the best taste experience

Enjoy the taste and aroma of freshly brewed coffee with this Philips coffee maker. Its compact design is perfect for brewing 2 up to 7 cups. Thanks to the aroma twister, enjoy an optimal taste in each cup of coffee.

Great taste and aroma

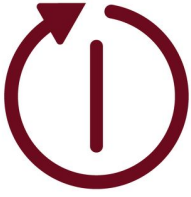

- Aroma twister circulates the coffee for an optimal taste

Easy to experience

- Drip stop to pour a cup of coffee whenever you like
- Auto shut-off after 30 min. for energy saving and safety
- LED power switch lights up when the coffee maker is switched
- Dishwasher-safe parts for easy cleaning
- Compact design perfect for 2-7 cups
- Water level indication for easy filling

Highlights

Automatic shut-off (30 min)

Auto-off

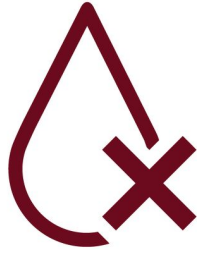

30 Minutes after brewing your coffee, the coffeemaker switches off automatically for energy saving and safety. This is according to EU regulation, which is applicable for all coffee makers in the EU. If you want your coffee to stay hot longer, Philips offers coffee makers with a thermal jug.

Aroma twister

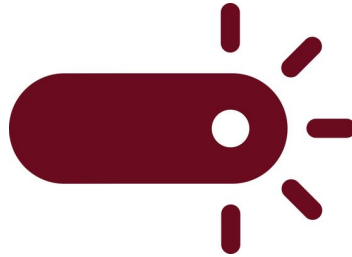

This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.

Drip stop

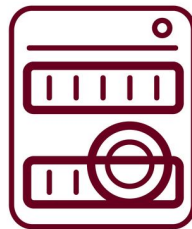

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

LED power switch

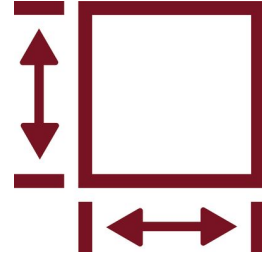

The red light on the switch button illuminates when the coffee maker is switched on.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

Compact design

This coffee maker is especially designed for brewing 2 up to 7 cups of coffee (maximum 0,6 liter). Thanks to its very compact design, this coffee maker takes little place in your kitchen.

Water level indication

Fill the water tank easily and precisely with the water level indication.
