## Highlights

### Compact and stylish design

Thanks to its compact design, you can enjoy easy steaming whenever and wherever you want. It is easy to use, just press the button and go!

### 85 ml detachable water tank

Steam your garments in one go with the detachable 85 ml water tank. The water tank is easy to remove and refill whenever you need during steaming.

### Ready to use in 35 seconds

Whenever you need it, your steamer is ready to use in just 35 seconds. The light indicates when you are ready to start so you're finished in no-time. Ideal for those last minute outfit decisions.

### Kills 99.9% of bacteria\*

Besides de-wrinkling, 1000 Series also refreshes clothes (and soft furnishings, curtains, toys) and removes odors by killing up to 99.9% of bacteria\*.

### Glove accessory

The ideal accessory for your last-minute steaming sessions. With the heat-resistant glove, you can safely enjoy steaming.

### Up to 18g/min continuous steam

Up to 18 g/min of continuous steam relaxes fabric fibers so creases can be smoothed practically.

### Safe for your garments

Safe on all ironable fabrics, no burns guaranteed.

### No ironing board needed

1000 Series has a compact design making it the perfect on-the-go solution to steam your clothes anytime, anywhere. No ironing board needed.
