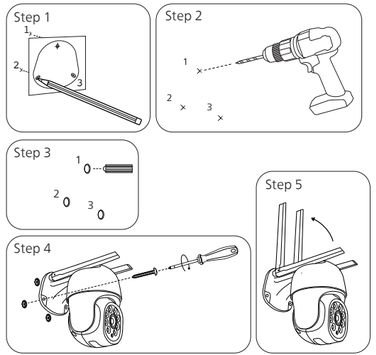
6. How to place it



7. Electromagnetic fields (EMF)

This Philips appliance complies with all applicable standards and regulations regarding exposure to electromagnetic fields.

8. Recycling

- Do not throw away the product with the normal household waste at the end of its life, but hand it in at an official collection point for recycling. By doing this, you help to preserve the environment.
- Follow your country's rules for the separate collection of electrical and electronic products. Correct disposal helps prevent negative consequences for the environment and human health.

9. Technical Specifications

Audio	Internal Speaker and microphone
Storage	Supports up to 128G Micro SD card (not included)
WiFi	IEEE 802.11 b/g/n, support 2.4GHz

10. Customer support
